GET INVOLVED IN THE SHOW

Help Keep a Proud Local Tradition Alive – Volunteer with the Pine Rivers Show!

The Pine Rivers Show is the longest-running show in the Moreton Bay Region, with its origins dating back to 1891 when it was first known as the Moreton Show North Pine. Since 1915, it has called the Lawnton Showgrounds home – land donated by the Francis family – and has been a proud community tradition ever since.

Run entirely by locals, the Pine Rivers Show relies on the hard work and dedication of volunteers to plan, prepare, and maintain the grounds throughout the year. From its early days at Alexander Wylie's farm paddock to the beloved event it is today, this show has always been about community spirit.

Now, we need your help!

Our volunteer base is ageing, and key roles – like some of our Stewards – are looking to step down in the coming years. Without new volunteers to step in, important parts of the show, such as the much-loved Cookery Pavilion supported by local schools, may not be able to continue.

If you value this iconic family event and want to help it thrive for future generations, now is the time to get involved. Whether you can give a few hours or take on a bigger role, your contribution makes a difference.

Please feel free to contact the Operations Manager at

or get in touch with our office for a chat.
